Apps for your support

EREMA®
PLASTIC RECYCLING SYSTEMS

Whether it is wear parts such as Laserfilter screen discs and cutting knife sets or long-lasting components such as heating bands, motors or screws – **in the new EREMA spare parts webshop you will find the complete parts list for your individual machine.**

Choose from over 200,000 items and order your required components quickly and easily with just a click of the mouse. We keep many of the items in stock for you. This ensures that you have fast delivery times and maximum availability of your EREMA machine.

BluPort®

Spare Parts Online

Your webshop for original EREMA spare parts

Original EREMA spare parts offer you real added value. They are the best protection for your investment as they are tuned to your EREMA machine from the beginning. For more performance, productivity and safety.

Your individual order history

With the webshop you have an overview of all your previous EREMA deliveries. Whether it is a machine purchase or earlier deliveries of spare parts – you can see your machine's full "CV" with a simple click of the mouse.

Your individual plans

Thanks to detailed assembly group drawings and circuit diagrams of your specific machine you can identify and order your required spare part quickly and professionally.

- **Practical machine documentation in Pdf-format** - quick search function, perfect overview
- **Large selection:** more than 200,000 items
- **Order around the clock** – 24 hours a day, 7 days a week
- **Easy and convenient:** find your required part quickly and intuitively thanks to a modern user interface, logical parts layout and practical search function
- **Save costs** through a simpler and shorter procurement process and bulk prices
- **Fast information:** you get prices and delivery times immediately and know at a click of the mouse, who is your contact for further questions
- **Secure attractive price benefits:** Profit from regular discount campaigns, sales and used items (incl. warranty)
